Web development Traineeship

General information

Period: 1 September 2018 to 28 February 2019 (flexible)
Duration: 4-6 months
Commitment: Full-time
Financial compensation

The European University Foundation is an alliance of European universities aiming to accelerate the modernisation of the European Higher Education Area. We stand for diversity and social fairness in Higher Education and base our work on the following five pillars:

- Digital Higher Education
- Quality Mobility
- Employment & Entrepreneurship
- Active Citizenship and
- Policy Innovation

The EUF offers a Web development traineeship for students or recent graduates to work with our staff in our Brussels office.

Main tasks and responsibilities

- Developing and implementing internet applications and IT solutions.
- Defining site objectives by analysing user requirements/ feedback; envisioning system features and functionalities.
- Designing and developing user interfaces to internet applications.
- Designing and conducting tests.
- Integrating applications by designing database architecture and server scripting.
- Studying and establishing connectivity with network systems, external web applications and information servers.
- Supporting the team by building and maintaining documentation and assistance tools.

Required skills and experience

With the support of Erasmus+
Co-funded by the Erasmus+ Programme of the European Union

European University Foundation
Château de Munsbach - 31, rue du Parc – L-5374 MUNSBACH
Phone: 00352 26 15 10 - Email: contact@uni-foundation.eu
R.C.S Luxembourg G190

- Very good knowledge of written and spoken English
- Fluency in React, Node.js, MySQL and good knowledge of UI design
- Precise and organised way of working
- Creativity and problem-solving as well as good communication skills
- Interest in learning more about web and app technologies
- Capability of working in a team as well as independently
- Any extra knowledge about MongoDB, GraphQL, SASS, unit testing, git, lean development and the Erasmus+ programme is an advantage.

Terms and conditions

- Internship duration 4-6 months
- The internship should begin between September 1st and October 1st
- The Intern is encouraged to have an Erasmus+ traineeship scholarship or equal funding. The EUF is able to provide selected candidates with a top-up grant to cover the living costs.
- High possibility of transitioning into a permanent position further to the internship.
- Our young and dynamic team offers a challenging and rewarding work environment with mentorship

Highly valued

- Experience in local, national or European student organisations
- Fluency in other European languages (e.g. French, Italian, Spanish)
- Volunteer experience

To apply, please send:

If you submit an application, we will keep this data until our open role is filled. We cannot estimate the exact time period, but we will consider this period over when a candidate accepts our traineeship offer for the position for which we are considering you. When that period is over, we will delete your data.

If you wish to access your data that we have collected, request us to delete your data, correct any inaccuracies or restrict our processing of your data, please write to contact@uni-foundation.eu. You have the right to lodge a complaint about the way we handle your data with the Commission nationale pour la protection des données or you can contact us at contact@uni-foundation.eu for more information or concerns.
