

Reflecting on the Student Mobility Summit.

The inaugural edition of the Student Mobility Summit "EWP Back to the Future" has recently taken place at the University of Barcelona, bringing together around **200 experts and professionals** in Higher Education, digitalisation, and Erasmus+ from across Europe. [Continue reading](#)

Open Space returns in Murcia!

Hosted by the [University of Murcia](#) in Murcia, Spain, the **EU Open Space** is back! This year, the event extends over 4 days from **May 28th to May 31st**, and will give participants the chance to find out more about EU funding opportunities, present and discuss past and ongoing project activities and achieved results, and exchange ideas about how to work towards institutional priorities. Mark your calendars and [reserve your spot](#) to delve into Erasmus+ funding.

The EU network expands in 2024.

We are thrilled to announce the newest members of the EU network, now totaling 89 universities: the **University of Leoben** in Austria, **Poznań University of Technology** in Poland, the **University of Cadiz** in Spain, **Carol Davila University of Medicine and Pharmacy** in Romania, and the **Technical University of Braunschweig** in Germany.

New projects on the horizon.

ErasmusGAP, HOME2, PADMICA, QualityLink and SET — represent our commitment to improving **student mobility and inclusivity** within higher education. [Discover them all](#)

A student perspective to mobility in Alliances.

Are the **European University Alliances** boosting student mobility as hoped, or are students facing the same old barriers? In the context of Alliances, the **inequities and obstacles** in access to mobility opportunities currently seem even more striking. The situation is not helped by the fact that maintaining Alliances diverts attention and energy away from mobility. [Continue reading](#)

New cycle of Erasmus+ Salons.

this spring/summer in **Brussels** in collaboration with ESN and ESU. These dynamic events, open to all, aim to spark insightful conversations and foster community engagement. The **first Salon** will take place on **March 19th**. Prepare to dive into the heart of **Erasmus+ discourse**, [register now!](#)

Introducing Erasmus+ Crossroads.

The EU is launching the **Erasmus+ Crossroads**, an initiative designed to give visibility to high-quality staff training across the network. Embracing a competence-based approach, Erasmus+ Crossroads seeks to comprehensively address the evolving needs of international higher education. Under the label of Erasmus+ Crossroads, the University of Latvia is organising a [Staff Training Week](#) in May, while ELTE is organising an [Intercultural Staff Training](#) this June. [Learn more](#)

EWP data exchanges.

The number of inter-institutional agreements and learning agreements concluded through the EWP continues to increase and **data exchange has improved considerably**, although some nodes still have connection issues. Learn about the state of play and the conclusions of the [EWP assessment report](#) published at the end of 2023.

Mapping higher education evaluation methods.

The study sheds light on the significance of evaluation in shaping the Erasmus+ journey. Explore how this comprehensive analysis aims to fine-tune the program's quality framework. Read the [full publication](#).

Summer Schools in Norway.

In July 2024, the University of Agder invites Norwegian/Nordic residents and partner university students to the **European Integration Summer School (EISS)** in Kristiansand. Despite recent challenges, the EU remains pivotal globally. EISS offers insights into EU politics, ideal for those pursuing careers in international business or public administration. The 2024 program includes a Blended Intensive Program in collaboration with FORTHM. [More information](#)

Career Counsellor Needs Assessment Survey.

As part of the Erasmus Careers project, **career counsellors** in European Universities are invited to participate in the [Career Counsellor Needs Assessment Survey](#). This survey aims to evaluate the impact of Erasmus+ mobility on students' **career development**. Taking just 2 minutes to complete, your input will significantly contribute to the creation of a comprehensive guide for career counsellors focusing on the internationalisation of career services.
